Grant to Royal Agricultural Winter Fair Association, Toronto

AUDIT OFFICE, March 25, 1922.

SIR,—I beg to draw your attention to an item in the expenditure from Live Stock Industry appropriation for the fiscal year 1921-1922.

On October 11, 1921, Letter of Credit cheque No. 29595 was drawn in favour of the Royal Agricultural Winter Fair Association (A. P. Westervelt, Toronto, Treasurer) as a grant to the Winter Fair "to be held at Toronto, November 16 to 24, 1921."

I understand that this proposed Winter Fair was never held. If so, would you be good enough to inform me as to the disposal of the grant?

A circular issued by the Department of Finance, January 18, 1921, asked that no letter of credit cheque for $25,000 or over be issued by any Department. Please explain your failure, in this instance, to comply with this request.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, March 28, 1922.

DEAR SIR,—I have your letter of the 25th instant, in regard to the cheque, No. 29593, issued in favour of the Royal Agricultural Winter Fair Association for $25,000 on account of a fair that was to be held in Toronto in November of last year.

You are quite correct in your understanding that this proposed fair was never held, and arrangements are being made with the Royal Agricultural Winter Fair Association for a refund of the $25,000 paid them. It is expected that a cheque for this amount will be received in the course of a few days.

I might further add that it is intended to make a payment to this Winter Fair of $10,000 this year to be applied against certain indebtedness under which they are at present suffering. This $10,000 will, however, be subtracted from the total amount to be paid over a period of ten years to the Royal Agricultural Winter Fair under an agreement between the Federal Government and the Winter Fair Association.

As to the last paragraph of your letter with regard to the fact that a letter of credit cheque for $25,000 was issued by this Department, I would say that the Accountant informs me that before issuing this cheque he called up an officer of the Finance Department and asked permission to do so. In view of the fact that the money was required immediately for handling the matter in this way this permission was given, and, consequently, that is the reason why the cheque was issued by this Department instead of through the Finance Department.

Yours very truly,

A. E. JARVIS, *Acting D.M.*

The Auditor General.

AUDIT OFFICE, April 5, 1922.

SIR,—In your letter of March 28, 1922, you refer to an agreement made between the Federal Government and the Royal Agricultural Winter Fair Association through which the Association is to receive in annual instalments, covering a period of ten years, a fixed sum from the Government.

Please furnish this office with a copy of the agreement.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Agriculture.

BUREAU DE L'AUDITEUR, le 25 mai 1922.

MONSIEUR,—Je désire attirer votre attention sur un item des déboursés effectués à même les crédits pour l'industrie animale pour l'exercice 1921-1922.

Le 11 octobre 1921 un chèque portant le n° 29591 a été signé en faveur de la Royal Agricultural Winter Fair Association (A. P. Westervelt, trésorier) sous forme d'octroi pour une exposition d'hiver "devant être tenue à Toronto du 16 au 24 novembre 1921".

L'on me dit que telle exposition d'hiver n'a jamais eu lieu. Dans ce cas veuillez donc avoir la bonté de me dire ce qu'on a fait avec l'octroi.

Une lettre circulaire du ministère de la Finance, datée le 18 janvier 1921, défendait à tous les ministères d'émettre tout chèque de $25,000 ou plus. Veuillez donc expliquer pourquoi vous avez manqué de vous conformer à ces instructions.

Je demeure, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Sous-ministre de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, 28 mars 1922.

MONSIEUR,—Reçue votre du 25 courant concernant le chèque n° 29593 en faveur de la "Royal Agricultural Winter Fair Association" au montant de $25,000 comme octroi pour une exposition qui devait avoir lieu à Toronto au mois de novembre de l'année dernière.

Vous ne vous trompez guère en pensant que ce projet d'exposition d'hiver ne s'est point réalisé et des mesures sont en cours avec la Royal Agricultural Winter Fair Association en vue du remboursement de la somme de $25,000 qui lui a été payée. L'on s'attend d'ici à quelques jours à recevoir un chèque pour ce moment.

Vous me permettrez d'ajouter que c'est l'intention de faire cette année, en faveur de cette exposition d'hiver, un paiement de $10,000 pour servir à régler certaines dettes de l'association. Cependant cette somme de $10,000 sera soustraite du total qui doit être payé pendant une période de dix ans à la "Royal Agricultural Winter Fair Association" en vertu d'une convention entre le gouvernement fédéral et la dite association.

Pour ce qui concerne le dernier paragraphe de votre lettre où il est mentionné qu'un chèque de $25.000 a été émis par notre ministère, permettez-moi de vous dire, sur l'information de notre comptable, qu'avant d'émettre le chèque en question celui-ci a communiqué avec un des officiers du ministère de la Finance pour lui demander la permission d'en agir ainsi. Vu que cet argent était requis pour usage immédiat afin de régler l'affaire de cette façon, cette permission a été accordée, et par conséquent, c'est là la raison pourquoi le chèque a été émis par notre ministère au lieu de provenir du ministère de la Finance.

Bien à vous,

A. E. JARVIS, *S.-M. sup.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 5 avril 1922.

CHER MONSIEUR,—Dans votre lettre du 28 mars 1922, vous parlez d'un accord survenu entre le gouvernement fédéral et la "Royal Winter Fair Association" d'après lequel l'association doit recevoir du gouvernement par versements annuels couvrant une période de dix ans, une somme fixe.

Veuillez nous fournir une copie de ce contrat.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Agriculture.

AUDIT OFFICE, May 26, 1922.

SIR,—I beg to bring to your notice cheque 60,500 of the fiscal year ended March 31, 1922, in favour of the National Fat Stock Show, Toronto for $15,000.

Under an Order in Council—P.C. 2551—of December 20, 1919, the Department was authorized to pay from the appropriation for Live Stock Industry an annual grant of $25,000, for ten years to the National Fat Stock Show at Toronto which amount according to an agreement entered into between the National Fat Stock Show and the Department must be paid out for prizes &c. subject to certain conditions.

It would appear that there was no fat stock show at Toronto during the fiscal year ended March 31, 1922 and for that reason the grant of $25,000 paid by the Department for that year has been refunded.

I presume the refund was made for the reason that the National Winter Fair at Toronto was not held during the year. If so it seems to me the Department had no authority to issue subsequently a cheque for $15,000 as part of the expenditure of the past fiscal year.

This payment is evidently intended as a loan as provision has been made by the Department for repayment.

The Order in Council—P.C. 2551—does not authorize a transaction of this nature.

As this grant has been made under Order in Council I think it should be specially mentioned in the Supply Bill, as for instance, "Live Stock, including grant to National Fat Stock Show, Toronto, $25,000."

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, May 29, 1922.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 26th instant in regard to the grant made to the Royal Agricultural Winter Fair.

In this connection I would advise you that the Department asked for the refund of the grant of $25,000 made on account of last year for the reason that it was decided that the Department should not make the full grant for last year in view of the fact that no Fair had been held. By reason of the fact, however, that considerable expenditure had been incurred by the Fair Association and the Fair itself was called off at the last moment only, due to the necessary buildings not being in shape, the Minister decided that this Department should make a grant of $15,000 on last year's account as it was expected a similar grant would be made by the Ontario Department of Agriculture and the whole expenditure made up in this way. This was done in full conformity with the Order in Council of the 20th December, 1919, which authorizes the grant to be made, one paragraph of which Order reads:

> "The Minister, therefore, recommends that he be authorized to make a grant to the said National Fat Stock Show of $25,000 per year for the next ten years, similar to the contribution of the Provincial Government."

This paragraph, I am sure you will admit, makes it possible for us to grant this money whether the Fair is held or not, provided, of course, that the Winter Fair Association has, during the year covered, incurred certain expenditures which would make a grant necessary and advisable.

BUREAU DE L'AUDITEUR, 26 mai 1922.

CHER MONSIEUR,—Je désire appeler votre attention sur le chèque 60,500 de l'exercice terminé le 31 mars 1922, en faveur du "National Fat Stock Show", de Toronto, pour $15,000.

D'après l'arrêté en Conseil—C.P. 2551—du 20 décembre 1919, le ministère a été autorisé à verser à même le crédit de l'industrie animale, un octroi de $25,000, pour dix ans, à la "National Fat Stock Show" de Toronto, montant qui, en vertu d'une convention intervenue entre la "National Fat Stock Show" et le ministère, doit être versé pour prix, etc., sujet à certaines conditions.

Il semblerait qu'il n'y a pas eu de foire d'animaux gras à Toronto pendant l'exercice terminé le 31 mars 1922, et pour cette raison la subvention de $25,000 versée par le ministère pour cet exercice lui a été remboursée.

Je présume que le remboursement s'est fait parce que la "National Winter Fair" de Toronto n'a pas eu lieu pendant l'exercice. Dans ce cas, il me semble que le ministère n'avait aucune autorisation pour émettre subséquemment un chèque de $15,000, comme partie de la dépense de l'exercice écoulé.

Ce versement est évidemment censé être un prêt puisque le ministère a prévu son remboursement.

L'arrêté en Conseil—C.P. 2551—n'autorise pas une transaction de cette nature.

Comme cette subvention a été accordée en vertu d'un arrêté en Conseil, je crois qu'il faudrait la mentionner particulièrement dans le bill des subventions, indiquant, par exemple: "Industrie animale, y compris octroi au "National Fat Stock Show", Toronto, $25,000."

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adjoint.*

Le sous-ministre de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, 29 mai 1922.

CHER MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre en date du 26 courant touchant l'octroi fait au "Royal Agricultural Winter Fair".

Je me permets de vous faire remarquer, à ce sujet, que le ministère a demandé le remboursement de l'octroi de $25,000 fait l'an dernier pour la raison que le ministère, a-t-on décidé, ne devrait pas accorder le plein montant de l'octroi pour l'an dernier puisque l'on n'a pas tenu d'exposition. Toutefois, par suite du fait que la "Fair Association" a fait des déboursés considérables et que c'est au dernier moment seulement que l'on a décidé de ne pas tenir d'exposition parce que les édifices n'étaient pas dans un état convenable, le ministre a décidé que son ministère accorderait un octroi de $15,000 pour l'an dernier. On était sous l'impression que le ministère de l'Agriculture d'Ontario ferait un octroi semblable de sorte que les dépenses se trouveraient entièrement défrayées de cette manière. Tout cela a été fait conformément aux termes de l'arrêté du Conseil en date du 20 décembre 1919 autorisant cet octroi et dont un des paragraphes se lit comme suit:

> "Le ministre recommande donc qu'il soit autorisé à accorder un octroi de $25,000 au dit "National Fat Stock Show" chaque année pendant les dix années qui suivront, lequel octroi sera semblable à la contribution du gouvernement provincial."

Ce paragraphe, vous en conviendrez, j'en suis certain, nous permet d'accorder un octroi, que l'exposition ait ou n'ait pas lieu à la condition, sans doute, que la "Winter Fair Association" ait, pendant l'année pour laquelle l'octroi est accordé, encouru certaines dépenses de nature à rendre l'octroi nécessaire et opportun.

I note your statement that "This payment is evidently intended as a loan as provision has been made by the Department for re-payment." I am afraid I cannot agree with this statement as the grant is not intended as a loan but rather as part of the total grant covering the whole ten years.

I cannot see any reason for your opinion that this grant should be specially mentioned in the Supply Bill. It was properly made under Order in Council and the reason the Order in Council was passed was because the situation was rather out of the ordinary and the grant was to be made for a certain stated period. If similar procedure had been followed as is the case with grants to our other Exhibitions, no Order in Council would have been passed. It was recognized, however, that there would have been some reason for argument and continued correspondence each year as to the grant to be paid, etc., and under these circumstances it was decided to ask for the authority of Council in order that these matters could be definitely settled for the whole period.

Yours very truly,

J. H. GRISDALE, *D.M.*

The Auditor General.

AUDIT OFFICE, June 2, 1922.

DEAR SIR,—Referring to your letter of the 29th ultimo in explanation of a grant of $15,000 made during the fiscal year 1921-22 to the Royal Agricultural Winter Fair or National Fat Stock Show at Toronto in which you take the view that under the Order in Council of December 1919 in which the grant was authorized that it was competent for the Department to pay the grant in part at least whether the Fair was held or not, I beg to call your attention to the purposes to which the grant is to be applied as stated in the Order in Council (P.C. 2551) and the agreement of July 5, 1920 between the Department and the Royal Agriculture Association.

The Order in Council authorized a grant of $25,000, annually for the next ten years similar to the grant of an equal amount by the Provincial Government which, according to the Order in Council, quoted above, is for the purpose of helping to pay the upkeep and general expenses.

I presume therefore it would not be a strictly proper application of the provincial grant to apply any portion of it to the construction of the buildings or the original cost of the laying out of the grounds, that is the fat stock show should be a going concern before a claim might be made for the grant.

According to the agreement signed by the Honourable Dr. S. F. Tolmie, Minister of Agriculture, the Federal grant must be used for—

(1) Payment of prizes won on agricultural exhibits in regular Winter Fair Classes at Fairs held under said Association.

(2) Payment of legitimate upkeep and general expenses.

(3) To submit auditors' statement of previous year to party of first part before grant is made to Association.

Under these provisions of the agreement it seems to me the Department contemplated payment of the grant in case a Fair was held and prizes awarded, and the Order in Council I think should be so interpreted.

I am still of opinion that specific grants for any particular purpose may not be paid under a Departmental Letter of Credit unless Parliament has specially authorized such grants either in the Supply Bill or by some other statutory provision.

Je remarque votre déclaration que "Ce paiement est évidemment fait à titre de prêt puisque le ministère a pris des mesures en vue du remboursement". J'ai bien peur de ne pouvoir admettre cette déclaration puisque l'octroi n'a pas été fait à titre de prêt mais plutôt comme une partie du total de l'octroi représentant toute la période des dix ans.

Je ne vois aucune raison à l'appui de votre opinion voulant qu'il soit fait une mention spéciale de cet octroi dans le bill des subsides. Cet octroi a été fait conformément aux termes d'un arrêté du Conseil. Cet arrêté du Conseil a été adopté parce que la situation était extraordinaire et que l'octroi devait être accordé pour une certaine période déterminée. Si l'on avait suivi la procédure que l'on suit lorsqu'il s'agit des octrois à nos autres expositions, aucun arrêté du Conseil n'aurait été adopté. On a constaté toutefois que certaines raisons auraient pu motiver une discussion et un échange de correspondance, chaque année, touchant l'octroi à accorder, etc., et, dans ces circonstances, on a décidé de demander l'autorisation du conseil afin de règler définitivement ces questions pour toute la période.

Votre bien dévoué,

J. H. GRISDALE, *sous-ministre.*

A l'Auditeur général.

BUREAU DE L'AUDITEUR, 2 juin 1922.

CHER MONSIEUR,—Dans votre lettre, datée le 29 mai, vous donnez des explications concernant l'octroi de $15,000 fait au cours de l'exercice 1921-22 au "Royal Agricultural Winter Fair or National Fat Stock Show" à Toronto. Vous prétendez qu'en vertu de l'arrêté en Conseil de décembre 1919, qui autorise cet octroi, le département avait le pouvoir d'accorder cet octroi en partie au moins, que cette exposition ait lieu ou non. A ce sujet j'attire votre attention sur les fins auxquelles cet octroi doit servir tel qu'énoncé dans l'arrêté du Conseil (C.P. 2551) et l'entente du 5 juillet 1920 entre le département et la "Royal Agriculture Association".

L'arrêté en Conseil autorise le paiement d'un octroi de $25,000, annuellement au cours des dix prochaines années à condition que le gouvernement provincial accorde un montant semblable lequel, en vertu de l'arrêté en Conseil susmentionné, doit servir à couvrir les frais d'entretien et les frais généraux.

En conséquence je suppose qu'il n'est pas tout à fait approprié de faire servir une partie de l'octroi provincial à la construction des édifices ou au coût original de la préparation du terrain—que l'exposition des animaux gras doit être une chose établie avant que l'on puisse faire la demande d'un octroi.

Aux termes de l'entente signée par l'honorable Dr F. S. Tolmie, ministre de l'Agriculture, l'octroi fédéral doit servir au:

(1) Paiement des prix gagnés pour exhibits agricoles au cours d'expositions régulières d'hiver tenues sous les auspices de ladite association.

(2) Paiement des frais légitimes d'entretien et frais généraux.

(3) Le rapport du vérificateur pour l'année précédente devra être soumis à la partie de la première part avant que l'octroi soit accordé à l'association.

Aux termes de cette entente il me semble que le département ne s'engageait à verser cet octroi qu'au cas ou une exposition serait tenue et des prix accordés, et l'arrêté en Conseil devrait être ainsi interprété.

Je suis encore d'avis que des octrois spéciaux pour une fin particulière quelconque ne peuvent pas être payés au moyen d'une lettre de crédit d'un département à moins que le Parlement n'ait tout particulièrement autorisé ces octrois soit dans le bill des subsides ou par quelqu'autre mesure statutaire.

I think you will find that the practice in the case of grants such as the one in question has been to obtain the authority of Parliament in the form of an item in the Supply Bill whether such item stood alone or was part of a general vote.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, June 6, 1922.

DEAR SIR,—I have your letter of the 2nd instant in regard to the grant made to the Royal Agricultural Winter Fair.

I have read your letter with interest and agree in a great part with what you have to say in regard to this matter. I would point out, however, that none of the money granted by this Department was used for the purpose of erecting buildings or laying out grounds but was used in connection with the preparatory work, such as arranging prize lists, getting out catalogues, advertising, etc., which work unfortunately proved quite abortive in so far as the holding of a successful exhibition was concerned on account of the city of Toronto not having made proper arrangements in regard to the buildings.

I think that this use of the money granted by the Federal Government was quite within the meaning of the Order in Council and the agreement between the Department and the Association. I might say also that an auditor's statement was submitted to the Department before the cheque was issued.

As to your last paragraph, I might point out that this Department makes grants to a large number of exhibitions and winter fairs every year and these grants are not specially authorized by the Supply Bill or any other statutory provision; provision is made for them in the Vote for Live Stock and similar provision was made for the grant to the Royal Agricultural Winter Fair.

Yours truly,

J. H. GRISDALE, *D.M.*

The Auditor General.

AUDIT OFFICE. June 15th, 1922.

DEAR SIR,—I beg to acknoweldge receipt of your letter of the 6th instant with further reference to the grant of $25,000 authorized by Order in Council in aid of the Royal Agricultural Fair at Toronto.

As I have already informed you I am of opinion that grants of specific amounts may not be paid unless authorized by Parliament either by special statute or by a provision in the Supply Bill empowering the Governor in Council or the Minister of the Department concerned to do so.

I am aware that grants similar to that authorized by the Governor in Council for the Royal Agricultural Fair have been paid heretofore by your Department from votes provided for general purposes, but, notwithstanding this fact I hold to the opinion that all such grants should in some form be brought to the notice of Parliament in the Estimates unless there is other statutory authority for them.

If you do not agree with my view in this regard I would suggest that you refer the point I have raised to the Finance Department and the Department of Justice.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Agriculture.

Je crois que la coutume suivie dans les cas d'octrois semblables à celui-ci consiste à obtenir l'autorisation du Parlement en faisant insérer cet item dans le bill des subsides, soit que cet item soit présenté seul ou comme partie d'un crédit général.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adjoint.*

Le sous-ministre de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, le 6 juin 1922.

MONSIEUR,—J'ai reçu votre lettre du 2 courant traitant de l'octroi accordé à la "Royal Agricultural Winter Fair".

J'ai lu votre lettre avec intérêt et j'approuve en grande partie ce que vous dites à ce sujet. Je vous ferai remarquer, cependant, qu'aucune partie des deniers octroyés par notre ministère ne fut employée pour l'érection de bâtiments ou la préparation de terrains, mais la somme fut entièrement consacrée aux travaux préparatoires, comme la préparation de listes de prix, la publication de catalogues, la publicité, etc., tous travaux qui furent inutiles au point de vue de la tenue fructueuse d'une exposition, parce que la ville de Toronto n'avait pas pris les dispositions nécessaires pour assurer l'usage de pavillons.

Je crois que cet emploi de l'octroi du gouvernement fédéral est conforme aux dispositions de l'arrêté du Conseil et de l'arrangement conclu par le ministère et l'association. Je puis dire de plus qu'un compte rendu vérifié fut présenté au ministère avant l'émission du chèque.

Pour ce qui est de votre dernier paragraphe, je puis vous signaler que notre ministère subventionne chaque année un grand nombre d'expositions d'été et d'hiver sans que ces subventions soient nommément autorisées par la loi des subsides ou aucune autre disposition statutaire; cette dépense est autorisée par le crédit pour le bétail et c'est ce qui nous a autorisés à subventionner la "Royal Agricultural Winter Fair".

Respectueusement votre,

J. H. GRISDALE, *sous-ministre.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 15 juin 1922.

CHER MONSIEUR,—J'accuse réception de votre lettre du 6 courant traitant de nouveau de l'octroi de $25,000 autorisé par arrêté de l'Exécutif en aide à l'exposition agricole royale de Toronto.

Comme je vous l'ai déjà dit, je crois que les octrois de montants fixes ne peuvent être payés qu'avec l'autorisation du Parlement, soit par statut spécial, soit par stipulation du bill des subsides autorisant l'Exécutif ou le ministre du département à ce faire.

Je sais que des octrois comme celui que l'Exécutif a autorisé pour l'exposition agricole royale ont été payés dans le passé par votre département à même les crédits votés pour fins générales, mais, en dépit de ce fait, je soutiens que tous ces octrois doivent, sous une forme ou une autre, être portés à la connaissance du parlement dans les subsides, à moins qu'un autre statut quelconque les autorise.

Si vous différez d'opinion à ce sujet, je vous conseillerais de soumettre le point que j'ai soulevé au ministère des Finances et au ministère de la Justice.

Bien à vous,

WM KEARNS, *A.G. adjoint.*

Au sous-ministre de l'Agriculture.
